

Ind-Tech PPE Dispensing Systems

WHAT CAN OUR MACHINES AND TECHNOLOGY DO FOR YOU?

REDUCE COSTS

Unnecessary usage is reduced through reporting on who is using what items and how often.

COMPLIANCE WITH HEALTH & SAFETY

You always know who used what item and when, removing any doubt over whether the correct PPE was available at any given time.

MANAGE STOCK LEVELS

We can monitor your stock levels ensuring items are restocked before you ever run out.

SPECIFICATION CONTROL

Each member of your team can only access the items you specify, meaning you know every user only receives the specified item every time.

ANTI-THEFT

Items are stored securely; cutting down on theft. Items are also tracked by individual.
